## TRAVEL TIPS

- ✓ Buy a SIM card and set up mobile data connection (the salesperson usually sets it up for you)
- ✓ Wear sleeved T-shirts (or bring a shawl if you're wearing a tank top or tops that show your bare shoulders) paired with pants or long/knee-length shorts or skirts when visiting temples. They usually require modest clothing as a sign of respect.
- ✓ Rent a scooter to save some money and drive around town on your own. Scooter rentals generally range from 150 to 300 baht per day for a basic one, like a Honda Click or Scoopy. Other types of scooter/motorbike are usually worth more. Sometimes you can get some discount if you're renting it for a couple of days or more. Don't forget to ask!
- ✓ Should you decide to rent a scooter/motorbike, it's best to have an insurance and an international driver's license.
